Education

Florida School of the Arts
Greensboro College
University of Missouri, Kansas City

AS in Theatre Design and Technology
BA in Theatre Design and Technology
MFA In Scenic Design and Technology

Skills

Extensive experience as Properties Master, Scenic Charge, electrician, and stitcher. Proficient with Auto-CAD, drawing, painting, budget management, garbage transformation, semi-fluent in French and understand some Spanish. Strong collaborator, excellent problem solver, skilled at designing within a budget and in unusual spaces, thorough knowledge of design history and styles, and significant experience with new works, project management, concept development, and theatre for young audiences.
